PROFESSIONAL EXPERIENCE

Assistant Nursing Superintendent | Vasavi Hospital | Mar 2025–Present (1.5yrs)

Responsible for the overall administration, coordination, and supervision of nursing services across multiple clinical departments, ensuring high standards of patient care, safety, and operational efficiency.

Key Responsibilities

- * Lead and supervise nursing operations across inpatient and outpatient departments.
- * Develop and implement nursing policies, protocols, and standard operating procedures.
- * Monitor nursing quality indicators including falls, pressure injuries, medication errors, and hospital-acquired infections.
- * Ensure compliance with nabh standards, patient safety goals, and regulatory requirements.
- * Coordinate nursing work force planning, staffing allocation, and manpower utilization.
- * Conduct nursing audits, competency assessments, and performance evaluations.
- * Oversee recruitment, on boarding, training, and professional development programs.
- * Collaborate with multidisciplinary teams to improve patient outcomes and operational effectiveness.
- * Manage patient complaints, grievances, and service recovery initiatives.
- * Support budgeting, inventory control, and resource optimization.

Key Achievements

- * Improved nursing documentation compliance and audit scores.
- * Reduced medication-related incidents through focused education and monitoring.
- * Successfully coordinated nursing activities during NABH accreditation processes with Minimal Nursing Non Compliance .
- * Strengthened staff retention and engagement through structured mentorship programs.

Nurse Clinician | Gleneagles BGS Hospital | Dec 2022–Feb 2025 (2.2yrs)

Provided clinical leadership in quality improvement, patient safety, nursing education, and accreditation initiatives while supporting evidence-based nursing practices.

Key Responsibilities

- * Led nursing quality improvement projects and clinical audits.
- * Facilitated staff training programs on patient safety and infection prevention.
- * Coordinated quality indicators monitoring and corrective action plans.
- * Participated in NABH surveillance audits and reaccreditation activities.
- * Assisted in policy development and implementation of best clinical practices.
- * Conducted competency - based assessments and educational interventions.
- * Promoted research culture and evidence - based nursing practices.

Key Achievements

- * Won First Prize in Scientific Paper Presentations at two National Nursing Conferences (2024).
- * Contributed to AHPI / ICC Nursing Excellence Award achievement (2023 & 2024)
- * Presented quality and patient safety initiatives at national forums.
- * Served as Resource Person at multiple national nursing conferences.
